PRESS RELEASE

From: Ann Herrold  
Director of Marketing  
Hospitality Asset Management Company  
(814) 234-2700

Hospitality Asset Management Company is pleased to announce the appointment of Nathan Kochel to Assistant General Manager of the Carnegie House, a Boutique Hotel, located in the Toftrees area of State College, PA.

Nathan joined the Carnegie House in 2008, bringing his years of luxury property experience to State College. He started his hospitality career as Operations Supervisor at the Sands Hotel and Casino in Atlantic City, and more recently assisted in directing Housekeeping Services for the Hilton Short Hills in Short Hills, New Jersey.

He earned an International Masters degree in Business Administration with Honors from the University of Greenwich, London, England after graduating from Pennsylvania State University with a degree in Hotel, Restaurant & Institutional Management.

Hospitality Asset Management Company, headquartered in State College, operates 6 area lodging properties including the Days Inn Penn State, the Hilton Garden Inn, Super 8, Quality Inn, Nittany Budget Motel and the Carnegie House.

The Carnegie House is a 22-room Country Inn, famous in Happy Valley for superior customer service in overnight lodging and leisurely fine dining. Suites at Carnegie House are individually decorated with a beautiful collection of antiques, oriental rugs and many modern conveniences. The well-appointed luxury restaurant focuses on individual customer service with a contemporary European menu. Please visit our website at [www.carnegiehouse.com](http://www.carnegiehouse.com).
